

Have you reached the limits of advancement at your current firm? Are you looking for greater responsibilities and an equity stake in a firm? Do you have diverse experiences to bring with you? Have you designed award-winning projects? Do you have leadership attributes, client cultivation abilities, and at least 14 years of architectural design experience? Then I want to speak with you! We are a 30+-year Abq. firm specializing in Education, Commercial and Recreational projects with too many projects right now. And we have won multiple awards for our designs. Travel in state is required. REVIT mastery and LEED cert. required. We offer competitive salaries and benefits. If you are intrigued send me your resume at abqarchitectwanted16@gmail.com! All inquires kept confidential. EOE.
