

SMPC is seeking an **Architect** or **Intern Architect** to join our team of design professionals in our Albuquerque office. We are interested in motivated individuals with strong design, technical production, and project management skills. Responsibilities include design and support to production of electronic drawings and models under direct supervision in a collaborative team environment; and construction administration efforts as assigned. Must be proficient in Revit. This position will report to the Project Manager. We prefer this to be a full-time position. NM registration is not required but encouraged.

SMPC is also offering an opportunity for an **Interior Designer** or **Intern Interior Designer** to join our team of design professionals in our Albuquerque office. We are interested in motivated individuals with strong design, technical production, and project management skills. The designer will provide support to project design, management, and production of drawings and documentation. Revit proficiency is preferred. Position will report to the Project Manager. We prefer this to be a full-time position. NM licensure is not required but encouraged.

About SMPC: We care about our people. SMPC offers a wide range of benefits for our employees and their families, including medical, dental, vision, disability, wellness programs, flex spending, paid holidays, paid time off, 401k and potential bonus opportunities. We offer reimbursement for certain professional licenses and associated renewals and exam fees. Our professional development program is a strategic investment in the success of our firm. SMPC is an Equal Opportunity Employer and participant in the U.S. Federal E-Verify program. Women, minorities, individuals with disabilities and protected veterans are encouraged to apply. SMPC is a 2017 and 2018 New Mexico Family Friendly Business Awardee.
