Intern Architect, 2 to 5 years experience

compensation: **commensurate with experience**
employment type: **full-time**

Baker Architecture + Design is looking to hire an architectural intern with practical professional experience from 2 to 5 years. The person we will hire gets excited about modern architecture and creative solutions, yet also has the pragmatic ability to assist a team in an organized production effort.

Must be adept at AutoCad, Revit, and Adobe Creative Suite. Must have examples of construction documents that candidate has produced. Excellent modelling and rendering skills are considered a plus, but not required. Desire to work in creative design-oriented office is a must.

Full time, hourly pay commensurate with experience.
